

# “Have A Go”

with **Kettle Bridge Clogs**  
**Maidstone’s Ladies North West Morris Team**

@ St. Nicholas Hall, Poplar Grove,  
Allington, Maidstone

**on Tuesday 15th September 2009**

Have you enjoyed our performance? Would you like to have a go? Morris Dancing is fun, energetic and a very social activity. Our aim is to preserve part of England’s cultural heritage, so that it can be enjoyed by everybody and passed on to future generations. If you would like to find out more and have a go at North West Morris, we practice every week (almost) and have set aside **Tuesday 15th September** for an introductory session for anybody willing to try something different! Just keep this leaflet handy and contact us nearer the time, to confirm that you are coming along.

**Size, Age, Two Left Feet? No impediment to a good time!**

For further details, phone Sandy  
on **01622 721778**
